Re: PB32.3 Alterations to a Heritage Property Designated Under Part V of the Ontario Heritage Act – 67 Adelaide Street East

Dear Members of the Toronto Preservation Board:

In addition to the letter submitted by the St. Lawrence Neighbourhood Association the Heritage Committee would like to add that the Senior Manager, Heritage Planning, be requested to report to the Toronto and East York Community Council — in consultation with the shelter operator (Na-Me-Res), as well as with the project architect and staff of the Shelter Support and Housing Administration — regarding design alternatives for 67 Adelaide Street East that would simultaneously respect Truth and Reconciliation and be consistent with the St. Lawrence Neighbourhood Heritage Conservation District Plan, such report to appear on the community council's agenda concurrently with the March 1 staff report to the Preservation Board.

Sincerely,

A handwritten signature in black ink, appearing to read "Suzanne", written in a cursive style.
