

Supplement to April 2008 Minutes

NOTIONS

That a child community friendly barrier be placed around the park at Esplanade - Jarvis Street & George Street South

Request for resolution that the SLNA objects to the gun display in the window of the Pravda Vodka Bar on Wellington. We do not consider it "art" but an inappropriate symbol of violence and should not be on display to the public.

TOPICS

Community/tenant issues
Health Centre expansion
More cycle paths

IDEAS

1. More discussion about the role of the SLNA
- more interaction from all Delegates
2. Not necessarily to have guest speakers at ALL meetings.
3. More relevant community topics for discussion
4. Interaction between Delegates and building residents
