

DENTAL WASTE INFORMATION SHEET

We will collect any brand of the following items for recycling with TerraCycle:

- Toothpaste tubes and caps (discard any remaining toothpaste)

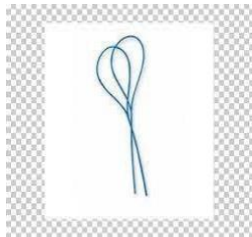

- Toothbrushes (all types) and toothbrush heads

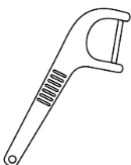

- Dental floss containers (can contain floss of all types)

- Floss threaders

- Flosser picks

- Soft-Picks and Stim-U-Dents

- Sulca brushes

- Proxabrushes

- Gum stimulators
- Tongue scrapers
- All other dental hygiene aids

- All outer packaging for the aforementioned items (plastic, cardboard, etc.)

*Packaging with metallic features is not accepted by Toronto recycling, but it *is* accepted by TerraCycle.
