## SLNA COMMITTEES

### Development

SLNA continues to support responsible development throughout the neighbourhood. Click here to proceed to [SLNA.ca](http://SLNA.ca) for more information.

### TTC Relief Line

An SLNA member is actively involved. Visit [Click here for information about the TTC Relief Line](#).

### First Parliament Site

Environmental investigation completed. Next step: A Master Plan will be created in 2016. It is expected that there will be extensive public consultation.

### Gardiner East

SLNA is engaged with the Gardiner East process to investigate 5 hybrid options. Visit [www.gardinereast.ca](http://www.gardinereast.ca)

### North Market

Evidence of historic significance found. Read more at: [City of Toronto website](#)

### Parks & Streets

**Berczy Park** is progressing well due to good weather. It is expected to reopen 'summer 2016'. **St. James Park Walk Shop** in December had good turnout. Architects are preparing an initial plan for public consultation. Work will be less extensive than Berczy and is expected to commence late 2016 early 2017. The BIA and Laneway Project team are working on a master plan for **Farquhars Lane** visit [www.thelanewayproject.ca](http://www.thelanewayproject.ca) for more information. NOTE: New water main will be installed on Wellington St between Church and York.

### Community Policing Liaison Committee for 51Div

SLNA is hosting a **Seniors' Safety Town Hall** – February 17<sup>th</sup> 2016, 2PM at OWN – 115 The Esplanade, Community Meeting Room. 2:00 pm – 4:00pm – The **CPLC** brings together 51 Division Police plus the Ontario Securities Commission to help protect seniors from threats, both physical and fraudulent. CARP will also be on hand.
